OUTDOORS TRIVIA CONTEST

1st Annual KVOE “What’s in Outdoors” Outdoor Trivia Contest... Just in time for Christmas!

We will have a drawing for weekly winners from December 2nd to and including December 16th as well as two grand prize winners in two age groups on December 19th.

To enter, visit www.kvoe.com/outdoors.htm to find and answer the wildlife appreciation trivia questions. To complete the contest you will also need to submit a story that shares your most memorable outdoor experience: Fishing, hiking, hunting, exploring, bird watching, gardening etc. Pictures are a plus but not a requirement to win.

Families can work together to write the story and help the younger people with the quizzes. The contest will have two major award packages:

- Entries age 16 and older, which would include any adults wanting to take part in the contest.
- Youth, 15 and younger.

If you struggle with writing a story, please feel free to contact Phil Taunton at 620-342-5016 or ptaunton@cablone.net for assistance. It's the thought that counts.

Please submit your story and answers to the 15 questions along with your name, address, & phone number to outdoors@kvoe.com.

If you don't have email, you can mail your story and answers to:
